

JTEC 412

TRACKED SCREENER

SPEC SHEET

HEAVY-DUTY SCREENING. COMPACT 17.5 TONNES.

Two 12' x 4' decks · CAT C2.8, 75 hp · aggregates, topsoil, compost and C&D waste

A heavy-duty tracked screener for aggregates, topsoil, compost and C&D waste. The JTEC 412 packs high output into a compact machine that you can move without a permit in most countries – and because we build it by hand, we can set it up for your material and your site.
